BLACKBERRY LIME

WITH MINT

CORE ROTATOR SERIES

Shacksbury's Core Rotator series is made up of innovative-yet-accessible new ciders to compliment our Year Round Core offerings. Each of the three annual offerings in this series will share a UPC, and they are limited to three to four months of selling. Popular flavors may return for another year, or even be promoted to Year Round Core.

BLACKBERRY LIME

The days are getting longer and the trail beckons. Our classic pairing of blackberries and mint is best enjoyed outdoors with a view. Cheers!
