Shacksbury is a cidery located in the Champlain Valley of Vermont, a place defined by community and an outdoor active lifestyle. We make complex ciders that are always pushing forward, while never straying far from that natural beauty our home state is known for. Our craft ciders are made with organic apples and are always naturally low-sugar and gluten-free.

### YUZU GINGER

AN ADVENTUROUS BLEND OF  
CIDER, CITRUS AND SPICE

We like to think we embrace the unexpected. Together, yuzu and ginger make for an unbelievable union. Yuzu's zesty citrus flavor balances the ginger's earthy spice. Finished with organic apple cider for crisp complexity, we believe things are always better with a little serendipity.
