YUZU GINGER

AN ADVENTUROUS BLEND OF
CIDER, CITRUS AND SPICE

YUZU GINGER

We like to think we embrace the unexpected. From spontaneous adventures to unlikely ingredients, we believe things are always better with a little serendipity. Our organic apple cider delivers crisp complexity and yuzu's zesty citrus flavor balances ginger's earthy spice. Together, they make for an unbelievable union best enjoyed outdoors.

Shacksbury is a cidery located in the Champlain Valley of Vermont, a place defined by community and an outdoor active lifestyle. As Vermonters, we thrive on nature and Shacksbury is no exception. We make complex ciders that are always pushing forward, while never straying far from that natural beauty our home state is known for. Our craft ciders are made with organic apples and are always naturally low-sugar and gluten-free.
